

DIMENSIONAL LETTERING

Dimensional letters project your image and beautifully display your company name. Three-dimensional letters are available in a wide variety of styles and materials. Metal letters can be cast, water-jet or router cut out of aluminum or bronze with a natural, polished or patina finish. Plastic letters can be formed or laser cut, and are available in 35 standard colors. Foam signage can be painted or laminated with an acrylic or metal face.

Substrates

- Foam Board
- Gator Board
- Acrylic
- Aluminum
- Bronze
